- Friday is an exclusive day when teachers would meet with all classes. Virtual Review/Preview of the week shared with all students and parents.
- EVERY afternoon is reserved for intervention and small group instruction, special populations either virtual or in person as determined within the first six weeks of school based on performance, attendance, and need.
- We are determining a safe and effective system to allow small groups/cohorts to be on campus in the afternoons. Until that system is in place, no students will be allowed on campus.
- Information regarding chromebook check out, textbook check out, and schedules will be available within the next two weeks
- *We are still exploring the needs and possibilities with our special education population.
