Castle Rock Charter School recognizes that families may not evenly distribute students’ work assignments over weekdays; however, due to strict State law requirements for charter school attendance, Castle Rock Charter School expects each student to be engaged in an educational activity required of them in the assignments on each weekday that school is in session. This “daily engagement” is documented on a daily basis on this sheet by the parent/guardian. This should not be read to prohibit schoolwork on weekends and should not be read to dictate the manner in which a family distributes the assignments over the independent study period. Castle Rock Charter School asks that a parent/guardian refrain from documenting any “daily engagement” on a day where a student did not engage in any educational activity required of them by the assignments. By law, work done on weekends or other days when school is not in session cannot be used to “make up” weekdays where no “daily engagement” occurred.
